

Mourn for our public schools on...

BLACK MONDAY

...the day the legislature convenes!

This year, Gov. Jindal's budget will cut nearly

\$200 million

from elementary and secondary education, and

\$219 million

from our colleges, universities and tech schools!

Tell lawmakers that we know these cuts are killing public education in Louisiana!

Wear something **BLACK** to school or work on April 27 and

MOURN for our SCHOOLS!
